

Butte County General Plan 2040

Tell Us What You Think!

Butte County is updating its General Plan to rebuild and create a more resilient future. The update will focus on:

COMMUNITY SAFETY

Safety from human-caused and natural hazards, including fires and floods.

HOUSING

Safe and affordable housing for all community members at all income levels.

ENVIRONMENTAL JUSTICE

The basic right of all people to a healthy and clean environment.

Please join one or both of these upcoming events in our two-part, web-based meeting series to share your thoughts about what should be in the General Plan. You'll be able to see a range of ideas that respond to some of the key issues raised during our first workshop and tell us what sounds right to you.
