

BUTTE COUNTY COOPERATIVE FIRE PROTECTION ANNUAL REPORT

2019

Proudly serving the County of Butte, Cities of Gridley & Biggs and the Town of Paradise

Chief's Message

It's my pleasure to share with you the 2019 Annual Report for the CAL FIRE Butte Unit, Butte County Fire Department and the Cities of Biggs & Gridley and the Town of Paradise Fire Departments. I believe that you'll find the annual report informative and useful. Statewide, 2019 offered a bit of relief for California and our firefighters. While the number of fires remained above average, there were far fewer large destructive fires that have been the recent normal. Locally, 2019 was a year of recovery as our Butte County communities began the long road of recovering from Camp Fire.

November 8, 2018 is a day that lives with each of us both personally and professionally. The Camp Fire ultimately burned 153,336 acres and was California's most destructive and deadly fire, claiming the lives of 85 civilians and destroying 18,804 structures as it burned under extreme conditions through the communities of Concow, Yankee Hill, Town of Paradise, Magalia and Butte Creek Canyon. There are countless stories of heroism that day; firefighters who risked their own lives to save the lives of others and to protect critical infrastructure.

I'm extremely proud of our firefighters and chief officers as they provide a high level of professionalism and leadership each day during their duties. CAL FIRE Butte County responded to an average of 43 emergencies per day ranging from fires, structural, vehicle and wildland; medical emergencies of all types; traffic collisions where patients may require extrication from their vehicles; technical rescues where our firefighters must enter confined spaces, collapsed trenches, rappel over the side of a cliff to rescue victims, enter static or dynamic waterways to rescue victims; and, hazardous material incidents where firefighters are called upon to mitigate a wide array of chemical substances many of which are harmful or fatal if inhaled.

In 2019, California experienced a moderate year for wildland fires across the state and locally. This afforded our firefighters the opportunity to rebound a bit from the extreme demands of the past several years, and to shift gears somewhat and focus on training, emergency preparedness, and fuel reduction throughout the communities we serve.

As we enter a new decade, I am honored to lead the men and women of CAL FIRE Butte County in 2020. Our firefighters, career and volunteer are well trained, experienced and dedicated and it shows through their work each day.

David Hawks
Fire Chief

Butte County Cooperative Fire Protection

Butte County benefits from an integrated, cooperative, regional fire protection system. The system is strong and cost effective due to the organizational elements provided by the State (CAL FIRE Butte Unit), Butte County, and partner communities (Cities of Biggs & Gridley and Town of Paradise). The five agencies are efficiently administered and operated together as one department.

After action reports following many large, devastating wildland fire recommend an integrated fire protection model like the one we employ here in Butte County. We are proud of the support provided by all of our elected and appointed officials that support our integrated fire protection model. The citizens of Butte County are the beneficiaries of this type of support.

CAL FIRE has been a major component of the Butte County Fire Department since the cooperative fire protection agreement with CAL FIRE began in 1931. We operate 22 career-staffed fire stations and 16 volunteer fire stations that serve the 1,609 square miles of unincorporated communities in Butte County and the Cities of Biggs, Gridley and the Town of Paradise. From these stations we provide full-service fire protection, pre-hospital basic life support emergency medical services, technical rescue services and response to hazardous materials incidents. Butte County Fire Department maintains automatic-aid emergency response agreements with all fire protection agencies within and adjacent to the county. CAL FIRE Butte Unit also protects 97 square miles of southeastern Tehama County.

In 2019, the Butte County Fire Department responded to 15,691 incidents. The fire department continually tracks these statistics and looks for ways to improve skills, training, services and response capabilities.

Department Overview

The services provided by Butte County Cooperative Fire Protection include:

- ◆ Critical fire suppression services and emergency medical care
- ◆ Technical teams, including technical and heavy rescue, water rescue and hazardous materials (Haz-Mat) response
- ◆ Mutual aid response to neighboring jurisdictions
- ◆ Fire Investigation
- ◆ Fire Prevention and Public Education
- ◆ Fire Marshal/Protection Planning
- ◆ Forest Resource Management

Personnel Profile

- ◆ Uniformed Personnel (Summer) - 338
- ◆ Uniformed Personnel (Winter) - 240
- ◆ On-Duty Strength (Summer) - 107
- ◆ Department Chiefs - 19
- ◆ Civilian Personnel - 16
- ◆ County Volunteers - 151

Butte County Profile

- ◆ Population: 224,000 (2010 Census estimate)
- ◆ Service Area: 1,677 square miles
- ◆ Local Wildland Fire Responsibility: 335,105 ac.
- ◆ State Wildland Fire Responsibility: 593,657 ac.
- ◆ Federal Wildland Fire Responsibility: 163,313 ac.

Mission, Vision & Values

Mission Statement

It is the mission of the Butte County Cooperative Fire Agencies to provide professional services to protect lives, property, and environment to those residing, working or traveling with in the unincorporated areas of Butte County and Cities of Biggs, Gridley and the Town of Paradise.

Vision Statement

We, the Butte County and Cities of Biggs, Gridley and Paradise Fire Departments, will provide public safety and emergency services to the citizens and visitors of Butte County as part of a dynamic and cooperative regional response team. Our members, both career and volunteer, will treat each other with respect and integrity. The fire department is focused in its Values and is committed to creating a Team workforce reflective of the communities it serves with comprehensive training, policies and procedures that guide us to be our best for one another, for our Department, and for the citizens of Butte County.

Core Values

It is the responsibility of each member to support the mission and vision by subscribing to the following values:

Effective Communications – We are respectful, honest and openly communicate with our leader, our peers, our Department and the local governments and customers we serve.

Cooperation to All - We work together as a “Team”. We build and maintain strong relationships within our Department and with our cooperators.

Professional Coordination – We train, prepare, problem solve, research and develop new methodologies to enhance our response capabilities as a Department and those of our public safety partners. We work with federal, state, local and private cooperators in pre-fire work, providing leadership in fire protection and resource management to help reduce the risk to our customers and communities.

Commitment to Serve – We lead by example in our professional and personal lives. We are committed to serve ourselves and the public with integrity and professionalism. We encourage and develop a strong work force to enhance the department’s ability to serve.

Significant Events

The Butte County Fire Department responded to several significant incidents during 2019. These incidents validated the successful use of fire equipment and training. They also provided an opportunity to discuss the challenges and determine if any additional training or equipment was needed to allow the department to provide the best response possible to future events.

- ◆ The Falls Incident was on January 15, 2019. A pair of hikers reported being trapped on a ledge 200 feet below the Overlook at Feather Falls Trail. After 6 hours in a heavy rain storm that went into the early morning, both hikers were safely rescued.
- ◆ The Meridian Fire (SRA) started on May 1, 2019, - the fire started two miles east of Munjar Rd off Meridian Rd and burned 50 Acres.
- ◆ The Forbestown Fire (SRA) started on September 6, 2019, - the fire started near Jernigan Way and Quality Lane and burned 58 acres.
- ◆ The Swedes Fire (SRA) started on September 7, 2019,- the fire started near Chinese Wall Road burned and 498 acres.
- ◆ The Highway Fire (LRA) started on September 28, 2019, - the fire started near Hwy 149 and Hwy 99 in the Durham area and burned 300 acres
- ◆ The Nelson Fire (LRA) started October 24, 2019, - the fire started near Nelson Rd and Darnell Dr in Richvale and burned 80 acres.
- ◆ The Evans Fire (LRA) started on October 28, 2019, - off Evans Reimer Rd in Gridley and burned 50 acres.

Total Acres Burned

Total acres burned by jurisdiction. Fire may have spread into other responsibility areas, but is not apportioned in these totals.

- State Responsibility Area (SRA) 1247 acres
- Local Responsibility Area (LRA) 814 acres

Department Equipment & Facilities

Butte County Cooperative Fire Protection operates facilities and equipment from five fire departments: CAL FIRE Butte Unit, Butte County Fire Department, Gridley Fire Department, Biggs Fire Department, and the Town of Paradise Fire Department.

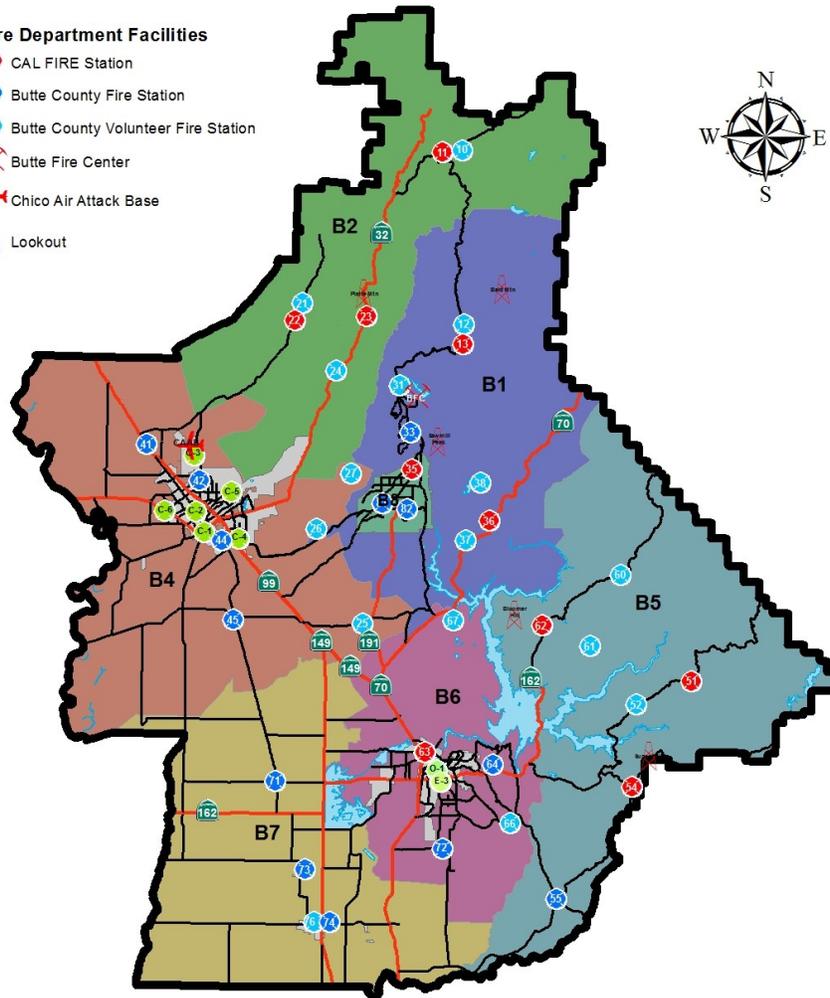

- ◆ 1 Emergency Command Center
- ◆ 2 Mobile Equipment Shops
- ◆ 1 Air Attack Base
- ◆ 22 Fire Stations
- ◆ 29 Front Line Fire Engines
- ◆ 4 Type I Hand Crews
- ◆ 2 Transport/bulldozers
- ◆ 1 Air Tactical Plane
- ◆ 1 Type III Air Tanker
- ◆ 1 Type II Haz-Mat Unit
- ◆ 1 Type II Technical Rescue Unit
- ◆ 1 Type I Water Rescue Unit
- ◆ 1 Aerial (110') Ladder Truck
- ◆ 17 Volunteer Companies
- ◆ 17 Volunteer Fire Stations
- ◆ 22 Volunteer Fire Engines
- ◆ 14 Type I Water Tenders
- ◆ 7 Squads
- ◆ 1 Breathing Air Support Unit
- ◆ 1 Heavy Rescue

Department Organizational Chart

Wanna Be a Firefighter?

Butte County Volunteers

Volunteerism is in our roots as a nation. Today a vast majority, over one million, of the firefighters in the United States serve as volunteers. It is estimated that more than 25,000 fire departments are staffed with volunteers or a combination of volunteer and career firefighters.

In 1931, the Butte County Board of Supervisors contracted with CAL FIRE. This contract was a major step toward integrating independent Volunteer Fire Companies and career fire companies to work within a single fire department framework in Butte County. This cooperative fire protection system includes the important augmentation by community based volunteer fire companies, as well as the inclusion of the Cities of Biggs and Gridley Fire Departments within Butte County under additional CAL FIRE contracts.

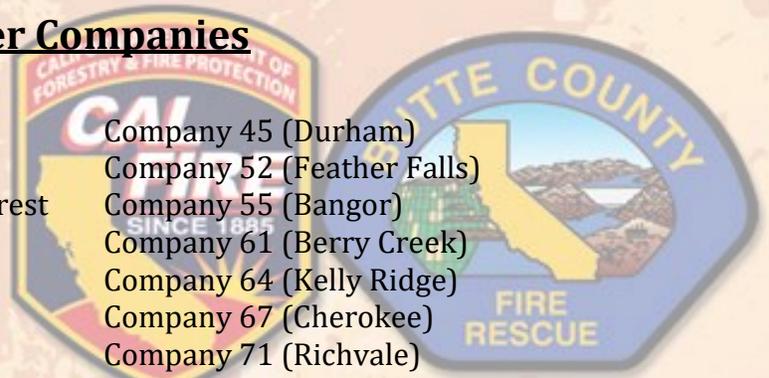

Together, they have developed an effective all-risk, full-service fire protection organization with a mission to protect the lives and property of residents/property owners and to protect local natural resources (environment) from fire and other disasters.

In 2019 there were 176 volunteer firefighters throughout Butte County.

Current Volunteer Companies

Company 12 (Stirling City)
Company 21 (Cohasset)
Company 10/24 (Butte Meadows/Forest Ranch)
Company 25 (Butte Valley)
