RE: County Service Area 34 – Gridley Swimming Pool

On March 5, 2015, a community meeting was held to inform the members of County Service Area (CSA) 34 about the condition of the Gridley Swimming Pool. Subsequent to this meeting, as the Administrator of the CSA, the Butte County General Services Department conducted a formal solicitation for proposals from firms qualified to perform an analysis of the pool. A contract was awarded to Siegfried Engineering, Inc. to perform an on-site analysis and code compliance review of the pool and related facilities and provide a report detailing all findings as well a cost estimate to repair the pool. The report also includes a rough estimate to construct a new pool realizing that no design has been established.

The Siegfried Engineering, Inc. report is now available for public review on the County's website: [www.buttecounty.net/generalservices](http://www.buttecounty.net/generalservices).

On March 16, 2016 from 5:30 pm to 6:30 pm Supervisor Lambert and representatives from Butte County General Services and Siegfried Engineering will be at a public meeting in Butte Hall at the Butte County Fairgrounds in Gridley to:

- Review of CSA 34 and Status of the Pool.
- Review the findings and estimates provided by Siegfried Engineering, Inc.
- Answer questions regarding the report.
- Discuss Next Steps.

I hope to see you at the meeting.\*

Best regards,

Grant Hunsicker  
Administrator, County Service Area 34 – Gridley Pool
