You are receiving this letter because you have previously obtained a Cash Seller Certificate from our office as a form of proof of ownership to sell your walnuts in Butte County. As of the 2016 season, we are no longer issuing Cash Seller Certificates for trees that are located outside the boundaries of Butte County. If you have trees outside of Butte County that you are picking up walnuts from to sell in Butte County, you need to obtain a proof of ownership document from the county that the trees are located in. These proof of ownership documents can be obtained at the Agricultural Commissioner's Office in that county, and the proof of ownership form must be completed and presented to the buyer at the time of sale. Several counties have the forms available from their Agricultural Commissioner's website, as well as at their respective offices.

We are now accepting and processing Cash Seller Certificates for the 2018 season for trees that are located in Butte County. Your Cash Seller Certificate can be processed by mail or in person.
