

BUTTE COUNTY PUBLIC HEALTH DEPARTMENT

OUR MISSION

To protect the public through promoting individual, community and environmental health.

OUR GOALS

To encourage communities and individuals to assume primary responsibility for adopting lifestyles conducive to optimum health.

To prevent the spread and complication of disease, disability, injury and premature death.

To survey the health needs of the community and provide leadership in creating a healthful environment.

PUBLIC HEALTH CLINICS

Ask us about the Family P.A.C.T. **(Planning, Access, Care, Treatment)** program.

At your appointment please bring your photo ID. If you have Medi-Cal, please bring your Medi-Cal card.
