Re: Suspension of Vaccinate or Mask order Effective Immediately

---

### Update:

**As of March 24, 2020 at 12pm, Butte County has 4 cases of COVID-19.** In an effort to provide the most up-to-date information the Butte County Department of Public Health (BCPH) would like to provide you with the following information regarding changes effective immediately to the vaccinate or mask order.

In order to preserve our supply of needed Personal Protective Equipment (PPE) I hereby end the “vaccinate or mask order” for Healthcare workers who work in patient areas but who are not vaccinated for influenza. This is in effect immediately.

The order will be in place next fall as usual.
