I hereby acknowledge that the issuance of this permit does not constitute “the issuance of a permit or grant approval for development” as set forth in Government Code Section 66499.34, and further, that I have been informed that the County of Butte has made no determination of whether or not the property on which the proposed agricultural well is to be located is considered to be a legal lot of record as defined by the Subdivision Map Act and/or the Butte County Subdivision Ordinance. Finally, I have been informed that no legal lot status is being confirmed or created by issuance of said permit.
