

**Congratulations on a wildly successful Annie B's Community Drive.** This year our community raised nearly \$1.5 million dollars during its eight-week campaign to support local nonprofits and charitable funds in their goals to help make our world a better place.

**The Annie B's percentage grant added six and a half percent (6.5%) to each donation made during the campaign.**

Enclosed you will find a detailed list of donors, their addresses and amount of their contributions to your charity/charitable fund. Please keep in mind that the grant check you will be receiving from North Valley Community Foundation is calculated as follows. Once incoming donations are received the corresponding fees are applied. PayPal transactions are listed on your donor report on two separate lines. The first line is the initial gift and the second line indicates the PayPal fee. Our processing fee is then deducted and the 6.5% grant is then calculated on the remaining total.

Again, we want congratulate you on another successful year and we look forward to our last and **final** year of the Annie B's Community Drive in 2016!

*Sincerely,*
